

# IMPACT REPORT

## A message from our founder

2022 has been quite a year for Unashamed. We began the year feeling as though our work was not being effective. By March 2022 we have decided as an organization that we would close at the end of the year. It seemed that as soon as that decision was made, things began to shift immediately and quickly. Since that day, we have accomplished so many amazing things and we are happy to share those accomplishments with each of you, our generous supporters.

## A year with unique challenges

In addition to all of the great work that we accomplished in 2022, we also achieved one of our long term goals, in October 2022, Unashamed Inc, signed the lease on its first brick and mortar building. The Unashamed Resource Center is located at 505 Main Street, Middletown, CT. In January 2023, Unashamed Inc. looks forward to extending our reach and "planting seeds" to equip families with the tools they need to dismantle unhealthy generational patterns and transition from surviving to thriving.
